

This is quite an accomplishment for Jessie, being one of only 17 female players, born in 1996, from our entire Region III, chosen to represent the region as part of this team. She is one of three Florida girls to be on the team. Jessie has been playing for our club since she was four years old.

Region III includes the following states: Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, and Texas. The selection process started at the local Florida Region C ODP tryouts and was followed by the Florida State ODP team selections. Then during summer ODP Regional camps in Alabama which all the state teams attend, players compete and are evaluated to represent each of their respective Regions as part of the Regional ODP teams. The next step would be an invite and selection to the National team!
